For water flow calculations/modeling in the City of Colorado Springs – Please contact:

[www.csu.org](http://www.csu.org)

- Click on "Work With Us"
- Click on "Building/Development"
- Click on "Construction Drawing Review"
- Click on "Request a Fire Flow Report"
- Follow instructions on form

**ATTENTION:** The Colorado Springs Utilities attempts to get all fire flow calculations completed as soon as possible, but you must understand it may take approximately 2-3 working days for the calculations to be processed.

<sup>1</sup> The gross square footage must include all floors, basement, garage, and covered decks

<sup>2</sup> A 50% water flow credit will be allowed for all fire sprinkled structures.

<sup>3</sup> See Water Supplies for Commercial & Residential Fire Protection Packet.
